

## ANWCC breakdown of competitors 2015-2020

Figures relate to actual number of competitors who started at least one championship round, and not to the number who have registered interest – this is due to our universal registration system – registered competitors are eligible for all our championships.

The fees for 2019 had been reduced – £12 fee for competitors aged 25 and over, £6 for competitors aged 17 to 24 and free registration for competitors under 17. Previously the fees were £18 for all championships and £12 if only contesting non-rally championships. This was due to 2018 being the worst year in the 38 years that we have recorded information – this resulted in a 24% increase in registrations for 2019.

2020 promised to be a good year, until Covid-19 came along. We still managed exactly 200 registrations but I would have expected this to have increased to at least 250 if we had been able to continue as normal. The 2020 figures show a decrease in almost every category, due to the lack of events and consequently potential competitors not being signed up.

For 2021 we have offered free registration to all those registered in 2020 who either did not contest any events, or only contested events that were in championships that were declared cancelled due to insufficient rounds. This free registration has been offered to about 75% of our 2020 contenders.
