

ANWCC breakdown of competitors for past 5 years (2019-2024)

Report of the year 2024

Figures relate to actual number of competitors who started at least one championship round, and not to the number who have registered interest – this is due to our universal registration system – registered competitors are eligible for all our championships.

After the drop in registrations for 2023 I am pleased to report that the number has gone up from 286 to 305, an increase of 6.6% so going the right way.

The big success this year is the Road Rally Championship with the best figures for past 5 years in a number of categories. Other “records” are the number of clubs (139), whilst Ladies and Juniors see increases on last year.

Some new calculations for this year are shown below – competitors indicate on their registration forms which disciplines they are interested in – there are many who tick every box, some don’t tick a box yet do the relevant events – but they get their points due to our universal registration system.

I have indicated in the table below how many of the 305 contenders have indicated an interest in each discipline, then added in the actual number of contenders that have started at least one event in that discipline. As perhaps expected, it is the Rally sections that comes out on top, as many competitors just tick every box!

Discipline	Number interested	Number started	%age
Stage Rally	146	116	79.5
Road Rally	154	121	78.6
Targa Road Rally	121	69	57.0
Forest Rally	113	52	46.0
Autosolo	94	40	42.6
Hillclimb	69	29	42.0
Sprint	75	30	40.0
Historic Road Rally	63	16	25.4
Car Trials	62	12	19.4
Production Car Autotest	77	13	16.9
Autotest	75	8	10.7

Our championships can be considered healthy, although some disciplines could do with more support. Autotests and Trials have suffered low entries, even for the national championship events.

Member clubs reached a new high at 139 - that’s over 20% of all the motorsport clubs recognised by Motorsport UK!

We do not record ethnic groups. Equally we do not ask for details of LGBTQ+ people as that is, IMHO, totally irrelevant to our sport – everyone is treated equally and included regardless of ethnicity, religion, gender or sexual orientation. It’s all about inclusion.
