

# ANWCC breakdown of competitors for past 5 years (2020-2025)

## Report of the year 2025

Figures relate to actual number of competitors who started at least one championship round, and not to the number who have registered interest – this is due to our universal registration system – registered competitors are eligible for all our championships.

The breakdown shows how many in each class on each championship – yellow highlights the best year out of the latest 5 so you can see which areas have been good for 2025.

Notable points – number of Lady competitors increased, but Juniors were well down. Forest championship showed increased numbers but I suspect that will drop in 2026 due to the change to the running order and also the high entry fees.

Some new calculations were introduced last year and are shown below – competitors indicate on their registration forms which disciplines they are interested in – there are many who tick every box, some don't tick a box yet do the relevant events – but they get their points due to our universal registration system.

I have indicated in the table below how many of the 302 contenders have indicated an interest in each discipline, then added in the actual number of contenders that have started at least one event in that discipline. As perhaps expected, it is the Rally sections that comes out on top, as many competitors just tick every box! PPC column indicates Percentage Points Change since last year.

Discipline	2024			2025			PPC
	Interested	Started	%age	Interested	Started	%age	
Stage Rally	146	116	79.5	153	119	77.8	-0.7
Road Rally	154	121	78.6	150	114	76.0	-1.4
Forest Rally	113	52	46.0	117	73	62.4	+16.4
Targa Road Rally	121	69	57.0	107	50	46.7	-10.3
Autosolo	94	40	42.6	78	31	39.7	-2.9
Sprint	75	30	40.0	66	25	37.9	-2.1
Production Car Autotest	77	13	16.9	68	22	32.4	+15.5
Hillclimb	69	29	42.0	61	18	29.5	-12.5
Car Trials	62	12	19.4	53	14	26.4	+7.0
Historic Road Rally	63	16	25.4	61	9	14.8	-10.6
Autotest	75	8	10.7	60	6	10.0	-0.7

Our championships can be considered healthy, although Historic Road Rallies and Autotests have not been well supported in number of events or competitors.

Member clubs dropped by 1 to 138 – but that is still over 20% of all the motorsport clubs recognised by Motorsport UK!

We do not record ethnic groups. Equally we do not ask for details of LGBTQ+ people as that is, IMHO, totally irrelevant to our sport – everyone is treated equally and included regardless of ethnicity, colour, religion, gender or sexual orientation. It's all about inclusion.
