Regulations, finals and entry list received in good time. Tests sent out with regulations a good idea, as queries can then be sorted early. Dry day, very dusty. Well run event, well-marshalled. Three tests sites, 12 tests - 15 were planned but this would have meant the event running late, although lunchbreak could have been shorter. 15 late entries, including five Irish competitors, made it an excellent turnout. Printed results after every round very efficient. DVT rating: 9.
