ANWCC ROAD RALLY CHAMPIONSHIP

Thick mist and icy roads greeted competitors on the Lleyen Peninsular for C&A's JJ Brown Memorial Rally this year, round 7 of our series. This caused all but two crews to go OTL and the only way that the organisers could get enough finishers was to extend maximum lateness! Some surprise results, with locals Peter Walker/Eddie Urbanski (running at car 18) winning overall in their Escort. Fourth spot went to Alan Williams, navigating for Derek Arnold, and fifth went to local driver John Baines, also in an Escort. Navigator Lee Ellis has put together some excellent results, this time sixth overall, one place ahead of Richard Thomas who won the Semi class. Mini driver Richard Thompson came all the way from North Yorkshire and was rewarded with eighth place - wonder what he thought about rallying in Wales? Ninth went to Lleyen Rally winners Trevor and Michael Evans in their old Escort, whilst Ned Jones was tenth overall. Novice winners, eleventh overall, were Henry Jordan and Autotests contender Dave (Stavros) Jones.

Final round, number 8, of the year was the 061 MC Road Rally in Derbyshire and the Sheffield area. A well run event saw ANWCC leading Novice driver Arwel Evans take overall victory, an excellent result helped by having Rob Jones on the maps. Rob Grant finished second in the navigators seat, and Lee Ellis was fourth. John Hamilton/Charles Harrison were on home territory and finished fifth in their Escort. Ned Jones/Lee Matthews were ninth and Karl Jones/Barry Green finished tenth, which was just enough to give Karl the championship for the second year running.

ANWCC AUTOTESTS CHAMPIONSHIP

Round 15, High Moor MC's event, saw victory for Graham Oldfield in his Westfield, whilst class wins went to Dave Goodlad (Mini), Jim White (Mini), Lee Matthews (Escort) and Dave Jones (Mini).

Knutsford & DMC's national championship event was Round 16, and so out came Mike Bennett to take Class B and sixth overall. Steve Johnson was beaten into second place in Class A, and next ANWCC contender was Graham Oldfield in 11th place overall in his Westfield.

Pendle DMC's event saw Steve Johnson take overall victory in his Mini, with Ken Brown second in a similar car. Jim White won Class B in fifth spot, and Dave Barratt took Class C in his large Cavalier. Steve Kennell won Class D and Class E, third overall, went again to Graham Oldfield.

Bury AC's Round 18 event saw a close finish, with Bob Barker beating Dave Graves by just 5.6 seconds, both drivers in the Mini 4F3 Special. Steve Johnson was third and took Class A, whilst Duncan Wild won Class B with sixth place overall. Lee Matthews won Class D in his Escort.

Final round of the year was Rhyl & DMC's J&J Autotests where outright victory went to Duncan Wild, who beat Steve Johnson into second spot. Third went to young Stephen Wild, gaining his best ever result in the Mini. Lee Matthews was fifth overall, winning Class D in his Escort, and also won the Clubmans section of this dual-permit event. Jonathan Robinson took his Metro to win Class C, Dave Jones won Class F, and Pete Brooks' Marcos won Class E.
