Dear Competitor,

Re: **ANWCC CHAMPIONSHIPS 2020 & COVID-19**

Thank you for supporting our championships this year, which has seen unprecedented problems for all of us. We hope that you and your family have not been affected by the virus.

As motor sport is beginning to return to some sort of normality we are pleased to let you know that most of our championships will run to a conclusion, with a Champion being announced along with awards for those of you who are successful. The Awards Night has been booked for Saturday 30th January 2021 and details will be announced when we know the full situation.

Our regulation 1.16 gives details of the number of scores to count in any championship, along with the minimum number to be started to be eligible for an award. If the minimum number of qualifying events is not reached then regulation 1.16 states what happens if a championship is declared void and therefore cancelled.

So, what does this mean for you, the championship contenders ...

[1] Contenders who compete on events that are in "void" championships will be offered free registration for our 2021 championships, as per 1.16.

[2] Contenders who do not compete on any further championship events this year will be offered free registration for our 2021 Championships.

[3] Contenders who contest any of the remaining championship events will score points as appropriate and thereby be eligible for awards.

The calendar can be found by going to our website www.anwcc.co.uk and clicking on the **CALENDAR 2020** link. For regulations of events that are happening the links can be found under "**Regs Online**" on the right-hand menu. Note that this does change almost daily, so please keep checking.

If you are unable to continue for this year then we thank you, and hope that you will take full advantage of the free registration for 2021.

If you are able to continue then the organisers of the qualifying events will be grateful for your support, and that you gain championship success.

If you have any questions please do not hesitate to contact me. The important thing is that everyone stays safe and is able to enjoy what we can for the rest of this year.

Kind regards,

Dave V Thomas
