Dear Association, Championship Official
(SACC, ANECCC, ANICC, ANWCC, STRC, BC)

On behalf of Glenrothes MSC, it is my pleasure to extend an invitation to your members to the 2018 Kingdom Stages Rally, on Saturday 10th November 2018.

After an adventurous 2017 with the rally spread across two venues, this year sees the event return to its more familiar "end of season" November date at a single venue... but with a change of venue, from Crail Airfield to last year's "second venue", Leuchars Station. The 2018 Kingdom Stages Rally will feature a full day's rallying for competitors, on the quality asphalt and concrete taxiways and perimeter roads of this exciting venue near St Andrews in Fife.

Provisionally the rally shall feature 7 stages, each of 5-7 miles in length, with a total event length of 40 stage miles... all with no lapping, splits, or merges! This alongside improved stage action viewing opportunities for service crews & support staff in comparison to previous events run at Leuchars, and the excitement and 'fever' of the final stage being run under cover of darkness... to sign off the 2018 tarmac rallying season in style!

Marshals will also be made very welcome, and alongside a warm meal and "goody bag", we'll also do our best to give you a great day's sport.

This year we are proud to again be a round of The Cobble Shop Scottish Tarmac Rally Championship, and Border Challenge. We look forward to welcome both championship and non-championship participants, for what is sure to be a very competitive event, complete with the usual great "end of season" vibe, for which the Kingdom Stages Rally has become renowned.

Preparations for the event are well under way, with supplementary regulations & entries anticipated to go live in September.

We look forward to extending your members a warm welcome to Leuchars on 10th November!

Kind Regards

Richard Crozier

Secretary
