

Rockingham Stages 2018

Middlesex County Automobile Club and Thame Motor Sport Club are pleased to invite everyone back to Rockingham over the weekend of 1st / 2nd December for this year's event. We are offering around 90 miles of competitive motoring over 12 stages, including the 2 in the dark. The regulations are available on the event website –

www.rockinghamstages.co.uk and there is also a link to the entries system. Entries will open on the 20th September (at 0001).

Unfortunately, last year's event was curtailed because of the snow and, as a result, any competitor that features on the results (as a finisher) is entitled to a rebate of £50.00 from this year's entry fee. Please refer to the secretary for confirmation of the revised fee payable.

With the recent announcement that Rockingham Speedway will close at the end of the year and cease as a motorsport venue, it is likely that this will be one of the last competitive events and we, therefore, advise an early entry to avoid any disappointment.

Regards,

Tony Phillips

(Secretary of the Meeting)
