

ANWCC breakdown of competitors 2014-2019

Figures relate to actual number of competitors who started at least one championship round, and not to the number who have registered interest – this is due to our universal registration system – registered competitors are eligible for all our championships.

For 2019 the fees were reduced – £12 fee for competitors aged 25 and over, £6 for competitors aged 17 to 24 and free registration for competitors under 17. Previously the fees were £18 for all championships and £12 if only contesting non-rally championships. This was due to 2018 being the worst year in the 38 years that we have recorded information – this has resulted in a 24% increase in registrations for 2019.

There appears to be no real pattern as to the ups and downs of championship registrations. Forest Rallies are on the up with record numbers contesting some of the 2019 championship rounds. On the other hand, Road Rally registrations have dropped, and this is partly due to the early events being cancelled.
